Proud of our Past, Confident of our Future

Principal's Message

May I take this opportunity to thank you the parents for your kindness and co-operation during the past academic year. Like every other school in Ireland, St Joseph's has suffered quite significantly from the cuts in government funding—no book scheme grant, no TY grant and no grants for practical subjects.

The Parents' Council has always supported the school and this year I would particularly like to thank them wholeheartedly for their very generous financial support. It means that we can continue to offer both the book lending scheme to Junior students and Transition Year for the coming academic year. A special word of thanks also to those of you who made voluntary contributions to the school during this year. We deeply appreciate the contributions that our parents make to the education process in St. Joseph's. We wish all our students success in the Leaving and Junior Certificate examinations. We know that they will be justly rewarded for their efforts.

Finally I wish both staff and students a very enjoyable summer break

Disappointment in the Louth Schools for our Under Sixteen Footballers

During the recent county finals played in Ardee, our Under Sixteens were defeated by De La Salle Dundalk .

Despite leading at half time by two points our lads failed to build on this in the second half and were eventually well beaten.

There were impressive displays in particular by Dean Boyle in goals, Ryan Sheridan mid field and Conor Smith who came on as a sub in the second half. A number of the team members are under age for next year and hopefully we can bring home some silverware in future campaigns
