Terms & Conditions:

1. Only the school combination lock, purchased in the school office is allowed to be used on lockers. No other locks are allowed and they will be removed from lockers, if found.
2. All lockers must have the school combination lock on them at all times. Lockers that have no lock on them will be confiscated.
3. The school combination lock can be purchased in the school office for €20. This lock is used from when your child enters the school until they leave and is a once off payment, unless they lose their lock and have to purchase a new one.
4. The locker rental fee is €10 per year. This cost covers locker maintenance and the purchase of newer lockers to replace older ones.
5. Replacement locks can be purchased in the school office for €20.
6. Sub-letting of lockers is not permitted. Lockers are school property and school management reserve the right to search a student's locker at any time.
7. Any damage to any locker by a student will result in the forfeiture of the student's own locker, quite separate to any bill issued to the student by the school arising from the damage. This may also be dealt with under the school's Code of Behaviour.
