

MISSION STATEMENT

Our school recognises that each pupil who enrolls in our school is unique and has different gifts as well as different needs. It is our wish that our pupils live with enhanced self-confidence, with life skills and attitudes which will enable them to lead lives that are satisfying to themselves and lives which may contribute to the betterment of society.

We recognise that a pupil's development is closely linked to a good self-image and so we strive to present the school's total curriculum in such a manner as to allow all the students to realise their full potential.

We see ourselves as working in partnership with parents so that we may meet the needs of all our students. We regard our school as an educational establishment with a Christian community characterised by care and justice.
